FOR IMMEDIATE RELEASE

*PRLog (Press Release)* - Oct 25, 2012 - Pre-Dating Speed Dating, the world's largest speed dating service for Busy Single Professionals, in conjunction with Seattle's AMBER Nightclub will be hosting the first ever Zombie Speed Dating event. All daters in attendance will be dressed to impress as the walking dead in this "brainy" affair!

Pre-Dating, now celebrating 11 years of hosting [speed dating](#) events around the country, decided to have fun while rolling out their **Special Interest niche events** for selective singles looking to meet like minded people within their interest group. These include "Tall Men and Tall Women" events, Interracial dating events, events for people with advanced degrees only, Gay and Lesbian events, African American Events, plus over 25 other special interest categories. "We realize everyone has dating preferences and the thousands of singles joining our event notification email list over the past year have been telling us what niche events they would like to attend. We now have a large enough database of customer interests that we are launching our special interest speed dating events nationwide with our "[Zombie Speed Dating](#)" event the day before halloween in Seattle because everyone deserves love, even the walking dead!" said Pre-Dating COO Michael Clarke.

**Meet Your Zombie Match - Try Speed Dating Zombie Style!**
