Happy New Year. Now that we have gotten that out of the way it is time to look forward to the next holiday, Valentine's Day - or not. Many singles dread this holiday so I thought we'd take a short break from learning about the different avenues of meeting that special someone to find out just what Cupid has in store for us this time around.

We'll start with 8minuteDating.com. They are having their 4th Annual cupidParty! this year, which is when there is a massive amount of events to choose from to meet that special someone in time for Valentine's Day. On the south shore there are 4 events taking place over a 3-day period.

CupidParty! 2006 starts on the south shore on Monday, Feb. 6 at Town Spa Pizza in Stoughton for 2 age groups: 32-44 and 45-55. They then take you to the water's edge on Tuesday, Feb. 7 at Raffael's at Nantasket Beach in Hull for the 28-40 age group. The week wraps-up farther inland on Wednesday, Feb. 8 at Martini's in Norwood for the 30-40 age group.

CupidParty! 2006 is co-sponsored by Linq Games and PerfectMatch.com, both of which are offering prizes that you can read about online. All 8minuteDating.com events require advance registration at their website: www.8minuteDating.com. If you're new to 8minuteDating you can save \$8 by entering code 8mdBoston8 when registering. For those who have

been before you can save \$5 by entering code xoxo when registering.

Next, cupid.com has decided to follow suit with a cupid party of their own. On Feb. 8, Cupid.com/PreDating will attempt to establish the Guinness World Record(tm) for the largest, simultaneous speed dating event. You can be part of this Guinness World Record(tm) attempt by registering for one of these events. already scheduled in close to 100 cities across the U.S. and Canada. We want to help you find someone special, and we are hoping to set a record while doing so. There will be no other night when more singles are speed dating. So don't miss it! If you've been thinking about trying speed dating, here's your chance to do so. Be part of the World's Largest Speed Dating Event, and just in time for Valentine's Day. Register at www.cupid.com.
