Valentine's Day events for singles

[continued from [previous page](#)]

Even though there are a lot of prospects listed it seems as though there are slim pickings for singles on the south shore. You will be seeing lots of ads for Valentine's Day events for couples but very few for singles. So, treat yourself this Valentine's Day. Gather with some single friends or do something for yourself and forget about the rest of the world. If you don't have someone special to share Valentine's Day with, you are wrong - and you are special.

Stay tuned for more ways to meet singles!
